Dear Representatives Goodlatte and Eshoo,

Thank you for your letter requesting that the Committee on House Administration designate the Internet Education Foundation (IEF) as the sponsor of an officially sanctioned academic competition for a coding or "app" challenge for high school students. We are in receipt of a letter from IEF in which they have agreed to comply with the regulations controlling officially sanctioned competitions adopted by the Committee on House Administration.

The Committee hereby designates the Internet Education Foundation as the non-governmental sponsor of the officially sanctioned competition known as the "Congressional App Challenge" for the 114th Congress.

If you have any questions please feel free to contact Reynold Schweickhardt (majority) or Robert Henline (minority) staff of the Committee on House Administration.

Sincerely,

Candice S. Miller
Chairman
